HOME HEALTH & HOSPICE

TRUST YOUR
AGENCY TO AN
EXPERT IN THE FIELD

SCAN ME

Home health and hospice care providers run a much different type of business than private physician agencies or hospital networks. So why would you trust your outsourced medical billing to a firm who doesn't specialize in your unique business model? Precision Medical Billing has been working with home health and hospice providers on their revenue recovery for more than two decades to improve their collections and get them back every penny they're owed.

PMB ENSURES YOUR BILLING SUCCESS IN FOUR WAYS. HERE'S HOW:

✓ **OUTSOURCED BILLING**

Maximize your reimbursements and utilize your staff for revenue-generating tasks.

✓ **TRAINING**

We have many options available at our corporate headquarters, your agency or even remotely.

✓ **REVENUE RECOVERY**

It is recommended for agencies to have an audit conducted quarterly or semi-annually. Audits identify billing weaknesses and strengths, but most importantly, identify uncollected revenue.

✓ **NATIONWIDE MEDICARE BILLING SEMINAR SERIES AND ONLINE HOME HEALTH BILLING COURSES**

PMB hosts annual Medicare billing seminars annually for owners, administrators, managers, medical billers, data entry and clinical staff (DONs and QA). We also offer beginner, intermediate and advanced modules online to train and assess your billers' skill levels.
